

**UNIVERSITY OF SALENTO
DEPARTMENT OF BIOLOGICAL AND ENVIRONMENTAL SCIENCES AND TECHNOLOGIES**

Master's Degree:
**COASTAL AND MARINE BIOLOGY AND ECOLOGY
(LM51, CL. LM-6)**

**ADMISSION INTERVIEW TEST
A.Y. 2024/2025**

6/5/2024

Required knowledge to access

Admission to the Master's Degree in Coastal and Marine Biology and Ecology requires the possession of a three-year degree or a three-year university diploma, or any other title obtained abroad and recognized as suitable. Candidates must have obtained at least 60 ECTS credits (European Credit Transfer System) or CFUs (University Formative Credits) resulting from the sum of those achieved in the following three disciplinary groups, for each of which the minimum and maximum number of ECTS credits/CFUs that can contribute to the total is defined:

- 1) GROUP 1 (General Botany, Systematic Botany, Environmental and Applied Botany, Zoology, Ecology): from 12 to 40 ECTS/CFU;
- 2) GROUP 2 (Comparative Anatomy and Cytology, Physiology, Biochemistry, Genetics, Microbiology): from 6 to 20 ECTS/CFU;
- 3) GROUP 3 (Mathematical analysis, Probability and Mathematical Statistics, Mathematical Physics, General and Inorganic Chemistry, Organic Chemistry): from 12 to 30 ECTS/CFU.

Modalities of verification of initial preparation

For admission to the evaluation of the adequacy of their personal preparation, candidates must credits (calculated as the sum of the possessed ECTS/CFU credits in the three disciplinary groups reported above). In addition to the requisites listed above, students must also possess adequate knowledge (level B2-equivalent) of the English language. Knowledge of the English language and the will be assessed during the evaluation interview tests of the initial preparation.

The list of the admitted candidates will be formulated according to the following criteria

After completion of the oral admission interview, the Board of Examiners will prepare a list of all candidates (in alphabetical order) with the outcome of the evaluation result ("admitted" / "non admitted").

The admission interview test will evaluate

the adequacy of the preparation achieved by candidate students in their previous careers, with reference to scientific areas/disciplines that contributed to the possession of the curricular requirements.

Places reserved for foreign students

40

Deadline for the presentation of applications

29/4/2024 – at 12.00
